THE STRUGGLE OF THE HOP-GROWER.

THE JOURNAL today again gives much of the bopgrower to resist the destruct gosy. tion of his industry is the struggle of

port of all producers. On every hand the individual hopof time, as last year's product is prac- conventions and their county commit- works where the lupuline is extracted for 1899 to be phenomenally large, and age at a cost of \$1500. tically a drug on the market, yet it is tees, are qualified to take care of their and kept in hermetically scaled cans to on October 19 the English Board of Ag-

of operations.

like a hero defending his industry.

sumers are proverbially wealthy.

kinds of prices are paid for hops, re- tal is not a candidate for any office and grower expect a legitimate dealer or any mouth thereby worrying the holder of ing. gardless of quality. The most remark- is opposing bossism because it is wrong person to invest his money in hops the hops until he is forced in desperaable feature of the market is the fact in principle and worse in practice, and when he knows that 90 per cent of the tion to sell for what he can get. But that some growths not at all choice have is destroying the party in this state.

One man will be forced to sell his hops mands the low cunning that knows who are unable to hold for better prices, cannot wait because he has agreed to blood is the life " and the " Discovery the true clixir of life." for 5 cents while his neighbor gets 2 or neither honor nor principle. The Re- | We therefore say, get your growers in deliver at a certain period. of cents for no better hops. This savors publican leader of a party whether in a such a shape that the entire crop will As we said before it is a question of making glands, and restoring to healthy panishing methods. It is too much county, a state or the nation, is the man not be thrown on the market at once, supply and demand, and if the growers so that in case of necessity they will be able to hold for better prices. That is the people and the state. The boss the evil you want to remedy. Never the brewers will require every pound the formula a state or the nation, is the man not be thrown on the market at once, so that in case of necessity they will be able to hold for better prices. That is the people and the state. The boss the evil you want to remedy. Never the brewers will require every pound the formula and the state. The boss the evil you want to remedy. Never the brewers will require every pound the formula and the state. The boss the evil you want to remedy. Never the brewers will require every pound the state. The boss the state of the people and the state. The boss the evil you want to remedy. Never the brewers will require every pound the brewers will require the brewers will

dresses of nearly all the hopgrowers in Oregon, and today sends them a sample copy. Read it and show it to your neighbor. We are firm believers in the value of co-operation and industrial organization, not alone of this industry but of all unprotected unorganized labor. It is the battle for existence, and labor. It is the battle for existence, and picking. it will be wee to him who fails to pro

The Real Question Involved in

The Journal today again gives much space to the discussion of the Oregon as good as the bossism of the editor of the Oregon the Capital.—Nickerson (Reno Co.) Average to the Capital.

The Argosy is right. If the question of bossism in Kansas or any other state was simply as to who should be the boss, there would be nothing in the issue in Kansas or Ohio. The real question involved in bossism is whether the all producers, and the hopgrower de- of bossism in Kansas or any other state ity and sellit at a loss, at the same time cents just the same. serves the sympathy and contial sup- was simply as to who should be the stocking the world's market and keep- On October 14, the Oregonian pubgrower is menaced by powerful organ- tion involved in bossism is whether the in years of big crops and low prices, United States, Nuremberg, which izations. His crop is even at the mercy Republicans of a county, through their brewers send their hops to the extract showed the estimate of the world's crop terian church have purchased a parson used at ruinous prices to make extract of party interests, select their candidates, be used in years of shortages and high riculture composed of hop growers pubhops to be used as a substitute for his instruct their delegates and nominate by petition or otherwise their postmas- the hops, the extact works use them. English crop, showing it to be 661,000 The Oregon grower has been the first ters without the impertment direction to lead with a protective association. He of a state boas? That is the plain quesreward of being first on the new basis congressional district in Kansas are at home. Already there are over twenty thous- affairs and that there is no need of a and bales of Oregon hops taken out of loss or his representative in any county Australia. men whom they cannot control, and to certain the average amount of hops used market, "when the "short sellers"

competition. This amount should be in Kansas. For a dozen men to sit down enlarged to forty thousand bales. There in Topeka, or at the Blossom House, in about the business in general. Inform soon discovered that only those growers and long troubles. Its early use preshould not be a bale left unorganized to Kansas City, and decide who shall come yourselves as to the acreage devoted to who had choice hops could sell. The Stores depress the market. If our Oregon to the legisleture from each scounty, for hopgrower is to be crushed out of exist- senatorial and other purposes, and to out the world, and the estimate as well was absolutely no demand and it looked. At Junction, a 105 pound squarh is ence anyhow let it be said that he died plan to defeat for renomination congress as the actual crop for each year. As- as if the bottom would fall out of the on exhibition. 1. What are the undisputed facts of may who shall be nominated for state or to a barrel of beer, so as to arrive at the stepped in and commenced to buy, and the situation? Good hops are scarce, federal offices of importance without world's consumption. Procure tables of it was their purchases that saved the The demand is increasing. But the consulting the people who do the voting exports and imports and desseminate market from going all to pieces just as financial stringency and pressure of -that is bossism, and that is what we knowledge among the members. growers to sell, more than balances this are opposing. That is just what is going first fact. The general depression of ag- on in Kansas and the celltor of the Ar- cultivate no more hops than they can was in a panic. Were it not for the purriguiture for some years past has left a gosy is not ignorant of the fact. To mis-conveniently handle without outside chases made by the short-sellers our majority of farmers debtors, while con- lead the people, to try to throw dust in financial assistance. The greatest evil Oregon market would have gone to their eyes by assuming that a man of the business today is that our growers pieces. The brewers who did not place This first great fact is true of Eng- wants to be a boss because he objects to are in a bad financial condition. They their orders early are now holding-back land and the United States. This the party being controlled by a boss and are compelled to mortgage their crops believing that by their tactics they will wretched condition can only be checked his petty hirelings will not stop the con- for money whereby to pick and harvest get hops at their own figures. The by an intelligent and powerful organi- test on the part of the Capital against and as soon as the hops are baled they brewer is not compelled to buy except the arrogant dictation of Mr. Leland and are forced on the market and sold for as he needs his hops, and if he thinks it

been sold for as high as 11c, while other really fine grops have been bought as of the principles of the party, but similar and in their wild scramble to sell drag case is different. He cannot order and numbers to Dr. R. V. Pierce, of Buffalo, N. V., for treatment. Men and women New York and English market, and it is gant, impudent, self assertion of the other words the dealer with money is forced to jump into the market and buy hoss for the control of patronage des asked to invest and compete with people quickly before the best are gone, and he found in Dr. Pierce's Golden Medica zation is his only has but one idea in politics, and he is mind the short seller, and never mind raised then we certainly advise them to
